

All those involved in the music ministry of Calvary assist the congregation in “making joyful noise” of praise, worship, and thanksgiving to our God.

Choirs do not practice or perform during the summer, but soloists and small groups, both vocal and instrumental, provide special music during that time.

Any time you have something special to share, talk to Russ Bunker and he will see where it can best fit in the schedule.

We welcome new voices and musical talents to join us any time!

Calvary Pops Music Series

Calvary has a rich musical heritage and celebrates this by offering a wide variety of special musical events spring through fall.

Make a joyful noise to the Lord, all the earth; break forth into joyous song and sing praises.

Psalm 98:4

Events in the past have included a Russian folk group, contemporary Christian band, gospel ensembles, praise team songfest, world-award winning jazz saxophonist, and duo piano concert.

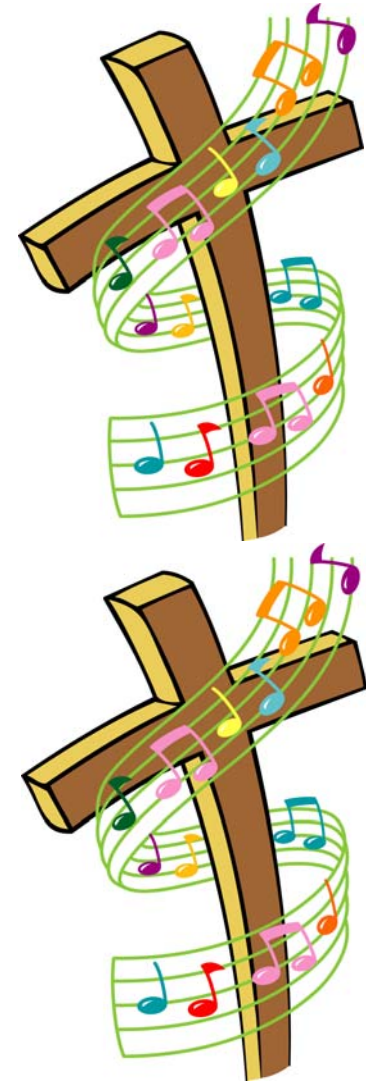

All events are open to the public, and summer events are held outdoors, weather permitting.

These are great opportunities to enjoy some great music, meet new people and spend time with family and friends.
