

CUT-UPS Quilters

The Calvary Cut-Ups Quilters are a group of ladies who enjoy quilting together to make quilts for others. They gather on Thursday mornings in the cooler parts of the year, spreading the warmth of God's love with their quilts.

These quilts are given to Lutheran World Relief, Crisis Center, Food Shelf, nursing homes, families in need, newly baptized, graduating seniors, hospital newborns, and to the Women, Infants and Children Program.

Before being distributed, the completed quilts are displayed on the pews one Sunday in the spring, and a few are sold to have funds to purchase supplies.

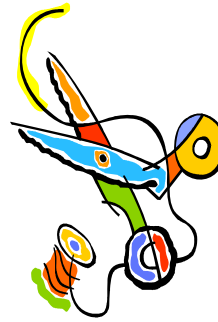

We have a fun time quilting and getting to know one another, so please join us; we would love to meet new members! For more information, contact:
