YOUR WEDDING AT CALVARY AND THE CHRISTIAN CHURCH RITE

We are happy you have chosen to be married in your church. This is as it ought to be. God's people come to God's house for the holiest experiences of their lives. It is by the blessing of God and prayer, in God's house, that you sanctify the establishment of your home through the Christian wedding ceremony.

Your desire to be married in the Christian Church by a Christian Pastor(s) with a Christian marriage rite indicates that you want everything about your marriage to be different, distinctively and eternally different, as our Christian faith alone can make it. We assume that you will want to follow only those practices and procedures in your wedding that are in keeping with the Christian view of marriage and which are appropriate and recommended by Calvary Lutheran Church.

Since you are asking to be married at Calvary Lutheran Church, your marriage service will be a service of worship consistent with the Christian view of marriage as expressed in the Lutheran Book of Worship.

Please read through the pages of this booklet carefully and prayerfully. While there is much room for flexibility in your wedding, the following guidelines will make the planning of your wedding more enjoyable.

PRELIMINARY DECISIONS

The following matters with respect to the church should be decided by the bride and groom before going ahead with complete plans for the wedding:

The Wedding Date: Call the church office and speak to the Pastor(s) concerning the date and time for your wedding. This should be done as early as possible before the wedding to avoid any conflicts on the church schedule. Time for the rehearsal should be set at the time the wedding date is determined. The rehearsal normally is the night before the wedding. The rehearsal takes approximately 45 minutes.

The Organist: It is the responsibility of the couple to secure the organist/pianist for the wedding ceremony and know what their current fee is. An organist other than Calvary's organist will only be allowed to play for your wedding if he/she has talked to Calvary's Music Ministry Coordinator about the use of the Allen Organ. The organist's fee is the responsibility of the couple.

Music and Soloist: The music used for a church wedding should create and sustain a worshipful mood. The wedding service is a religious service where the vows, prayers and music point to a Christ-centered marriage. All music must be approved by the Pastor(s)/Minister of Music. Securing the soloist and the related fees are the responsibility of the couple. Please have your music to the soloist in plenty of time before the wedding. Hymns may also be used during the wedding service.

The Wedding Coordinator: The Calvary Wedding Coordinator is required at all weddings to help the wedding run smoothly. It will be necessary to make an appointment with the coordinator as soon as possible to discuss particular arrangements/needs/desires.

MARRIAGE COUNSELING

Marriage is a Holy Estate, ordained of God and to be held in honor by all. It's also a very serious business for your future happiness. In order that those couples who are married at Calvary Lutheran may have a clear understanding of what a Christian marriage involves, and some careful time to prepare for the unique challenges of marriage, pre-marital counseling is required. The counseling sessions explain the significance of a Christ-centered marriage and involve all aspects of married life. In most cases Calvary's pastor(s) will officiate at your wedding. If you wish another pastor(s) to share in the service, or to preside at the service, it is important that you set up a meeting with Calvary's pastor(s) to discuss what may be possible. You should do this as soon as possible after you begin planning the wedding so the date and other important decisions can be made with the pastor's assistance.

THE LICENSE

Please drop off your marriage license at the church one week prior to the wedding. The marriage license must be purchased in *Minnesota* if the wedding is held at Calvary.

THE WEDDING REHEARSAL

Most rehearsals take place the evening prior to the wedding, although an alternate time may be arranged with the Pastor(s). Rehearsal is important to insure that all is in order and that each person understands their role. It is therefore important that all participants are present and on time. These include (besides the couple) the parents of the bride and groom, the best man and maid/matron of honor, the bridesmaids and groomsmen, the ushers, the flower girl and ring bearer.

Rehearsal is *not* the time for the *organist and/or soloist to rehearse their music* for the wedding. It is beneficial for them to be at the wedding rehearsal to be familiar with the order of service.

Remember that this rehearsal is taking place in the sanctuary. Decorum in keeping with the surroundings is expected. The order of service should be arranged and discussed with the Pastor(s) and organist prior to rehearsal.

DECORATIONS

All floral decorations and candles must be provided by the bridal party. Calvary has a pair of seven candle candelabra and a Unity candle holder that may be used by the wedding party.

The church may be decorated the day before the wedding if approved and no conflicting events are scheduled at Calvary. The wedding coordinator will make arrangements with you to have the church open and available.

No decorations shall be fastened to the woodwork or walls of the chancel, nave, or fellowship hall.

Flowers left on a Friday or Saturday for use at the church services will be greatly appreciated. Please indicate to the Pastor(s) if flowers will remain for worship services.

Seasonal decorations may be present in the Sanctuary and Narthex. Decisions relating to those decorations should be made in consultation with the wedding coordinator.

PHOTOGRAPHS

The Sanctuary is available to you for photographs prior to the ceremony, ending approximately forty-five minutes before the ceremony begins. Most couples find it helpful to have their pictures taken before the wedding. You may bring snacks and light refreshments for your wedding party during the time of picture taking. Food and drink are limited to the Fellowship Hall and Kitchen.

Videotaping cameras may only be set up in the balcony; please explain this early to the people you hire so as to avoid embarrassment or disappointment on the day of the wedding. Flash pictures are not to be taken during the wedding ceremony (Invocation through Benediction).

PRINTED PROGRAMS

The printing of programs, if used, is the responsibility of the couple. A sample order of service is included in the back of this booklet, however the Pastor(s) is very willing to discuss alternatives. Programs should be available at the rehearsal prior to the wedding.

THE MARY ROOM

This is a wonderful place for the bridal party to dress for the wedding ceremony. Remember - no food or beverage allowed in this room. Be sure to have someone assigned to remove all clothing and personal items from this room immediately following the ceremony (or reception if held at the church).

THE WEDDING RECEPTION

Calvary Lutheran's facilities are available for wedding receptions.

If the reception will be held at Calvary, the wedding coordinator will work on the details with you. All food is to be provided by the wedding party. When a reception is served by the Calvary Women, a fee will be charged based on number of people served. When a reception is catered and served by the caterers, a member of Calvary must be present to supervise the use of the kitchen and it's equipment. A fee will be charged for that supervision.

EQUIPMENT

A variety of articles are available for use during the wedding ceremony and reception. The wedding coordinator will review your needs and determine availability of items.

Statement of Charges: Charges will be reviewed with you during your initial meeting with the wedding coordinator. Please be sure to receive a Wedding Use Request Form for an estimate of expenses.

CALVARY TRIVIA

No dishes or equipment are to be removed from the church.

No alcoholic beverages are allowed to be served or consumed on the church premises. Those not adhering to this rule at rehearsal, before or after the ceremony, or at the reception will be required to leave the church premises.

Smoking is not permitted anywhere in the church building.

Parties using the church are responsible for all damages and breakage.

No red punch is allowed to be served at the reception.

Throwing of birdseed, confetti, or rice on church property is not allowed.

After the wedding ...be sure someone is assigned to pick up all gifts, clothing, flowers, decorations, food, and personal items. All items must be removed from the church immediately following the ceremony/reception.

Calvary Lutheran Church is not responsible for any lost or stolen items.

Calvary Council approval must be received for all member and non-member use of the church facilities (allow time for this to be done at regular council meeting the second Tuesday of each month).

WEDDING TEXTS

We ask that as you prepare for your wedding, that you use this list as a simple Bible study and that you print out and then look up and make some notes about each one of these scriptures. You should know that I Corinthians 13 is not the only text you can use. In fact, it is so overused that we don't think it is a good choice. When you come to your second meeting with the pastor we ask that you have spent some serious time with this list choosing which scripture will be very appropriate to you and your own special relationship, faith and calling.
