

# Weekly Grapple Connection

## Grapple Question:

What if Jesus Is a Lunatic?

## Kids Learn:

Jesus' Style of Religion

## Dig Into the Bible:

Hosea 6:6; Matthew 9:9-13; 12:1-13

We're all crazy about something—a hobby, a sports team, even our kids. Although Jesus is crazy about us, he's not a lunatic. Jesus lived a focused life, never veering from the truth or the purpose he came to fulfill. Grapple with the question with your preteen by looking for things Jesus was crazy about, as well as the evidence that he was not a lunatic. Say how crazy you are about your preteen, and then do something crazy together.
